Truth for Life:

Luke's stated purpose at the beginning of this Gospel (Luke 1:1 – 4), was to "carefully investigated everything from the beginning ... to write an orderly account (originally to Theophilus, but now by extension to us, God's children) ... so that (we) may know the certainty of the things (we) have been taught (concerning our Lord Christ)."

As we are confronted with this Gospel – would we have certainty in our belief, which would translate into transformed lives for our Lord Jesus Christ?

Or is the Gospel simply a set of familiar stories and teachings which we half-heartedly believe, but not enough, to fully commit our lives to living under Christ's Lordship?
