Text : Isaiah 55: 6 - 13

Title : Seed For The Sower And Bread For The Eater

The book of Isaiah was written in a time of war and conflict. Our lives, even in tough times, can be fruitful because God is faithful. He provides seed for the sower and bread for the eater. In God's economy, fruitfulness is not seen in the size of the harvest or the drama of success. Fruitfulness is seen when we are transformed - from thorns to the juniper; from briers to myrtle - so that we can go out with joy and be led forth in peace.
